

In early August, we released an op-ed about Braun and ICE, which has been picked up by the Indianapolis Star, Anderson Herald-Bulletin, Daily Reporter of Greenfield, Brown County Democrat, Indiana Capital Chronicle, Jeffersonville News & Tribune.

The Tax Thief Thursday campaign is targeting two members of the G.A. every week. Liz Coquillard has done a great job with these. It's so good, the post got "borrowed" by the Libertarian Party of Canada.

We had a meeting 8/21 with the comms team and discussed future strategies. Please let us know of upcoming events we can push, especially on our Instagram feed.
