

Libertarian Party of Indiana – District 2

Monthly District Report – July 2025

St. Joseph County:

- No new updates this month. Local operations continue with an open Treasurer position and ongoing community visibility efforts.

Marshall County:

- Some movement this month — Marshall County reached out requesting assistance identifying potential candidates to take over leadership of the county affiliate. This is a positive sign and a chance to rebuild. Any interested individuals or recommendations can be sent our way for follow-up.

Elkhart County:

- No new updates to report at this time.

Kosciusko County:

- The affiliate remains active and visible:
 - **July 18:** Booth at the “3rd Friday” event
 - **August 7:** County Meeting
 - **August 15:** Booth at the “3rd Friday” eventContinued outreach through regular public-facing events is building momentum. Consider offering support if you're nearby or available to participate.

District Notes:

- We're still on the lookout for new county contacts and leadership in some of our quieter counties. If you know anyone liberty-minded in Fulton, LaGrange, or Pulaski counties, introductions are welcome.
