

## LPIN 9th District Report May 2025

Very status quo for this off year. Inactive counties are still inactive. Jefferson County believes they will be more active beginning in August.

Active counties, namely Floyd, Monroe and Clark continue to hold their regular monthly and bi-weekly Meet-ups, focus groups and game Nights.

Clark County has given up their office as it became increasingly unsustainable post-Covid.

Members from Clark and Floyd Counties attended a League of Women Voters Event on May 12.
