

## August 2025 District 9 report

- Active counties continue to have monthly gatherings.
- Clark County participated in Sellersburg Celebrates last weekend and greatly appreciates Lauri Shillings visiting on Friday.

Lots of quizzes administered, contacts made. Margie Phipps has been a wonderful asset for outreach.

- Members of Clark and Floyd Counties have continued to work with partially aligned organizations and attending protests and garnering or contributing to media coverage. Lady Liberty was very prominent in photos in the paper and online covering a Thursday lunchtime anti-ICE protest.
