

October 2025 9th District Report

Active counties - Floyd, Lawrence, Monroe and Clark - are pretty status quo, meeting regularly, some participation in #nokings activities.

Floyd officers met with congressional candidate Jeffrey Yunkin.

Lawrence County will be participating in their Christmas Parade the first Saturday in December.

Clark was invited to and plans to participate in a fireman's festival and picnic in Utica. This is the fire dept trying to provide coverage following the Jamey Noel scandal.

I haven't yet been successful checking in with Steve Crawford in Jackson following the resignation of Craig Reynolds. Jefferson County is still limping along though Ronald has asked about the process of disaffiliation if it comes to that.
