

**Secretary Report July 20, 2025:**

- **I have been unable to work in CiviCRM this past month due to familial obligations. I will continue to aim to get this year's minutes online ASAP.**
  - **I would like to propose not changing the archived minutes and only make format changes to this year's minutes and agendas so we can smoothly move forward.**
- **With regard to state file retrieval:**
  - **I have not yet heard from Alyssa Salgado and am unaware if she has returned from traveling. I will attempt to reach out to her again before our next meeting on August 30, 2026.**
  - **I still need to reach out to Greg Noland to schedule a time to go through the files he has at his residence.**
- **March 2025 SCC meeting minutes still have not been updated and approved. I am waiting for Evan to send me the changes he would like to see made. Alternatively, I can try to go back through the recording and re-work them entirely.**
- **I am unable to attend the July 20<sup>th</sup> SCC meeting due to travel and family medical obligations.**

**Respectfully submitted,**

**Stephanie Dasbach**

**Secretary – State Central Committee, LPIN**
